Dear Member,

All members are welcome to join "Records 215" - the 5<sup>th</sup> Hong Kong Bird Watching Competition 2007. If you could not get enough members to form a team, we will try to divide the individuals into groups. Don't worry, let's play!

"Records 215" is a bird watching competition among our members. Participants are required to identify bird species as many as possible within 24 hours. Through this game, we hope more members will find bird watching not only tough, challenging, but also interesting and full of fun, as well as a good opportunity to test your ability. In the past 4 competitions, the maximum number of bird species varied from 202 in 2002 to 215 in last year. What will come up in the coming game? Let's get the job done and break the record!

Please complete the application form below and return to us (by fax or email). Hope to see you there! We are sorry to start the recruitment a bit late due to the heavy workload.
